

DAY TO DAY RUNNING OF THEIR COUNTERS CLIENT: GODIVA

On behalf of Godiva, Blackjack have been running the day to day management and promotions of their counters since 2008. Blackjack have provided one full time team leader and one other additional full time member of staff both working 40 hour weeks based at T3 and T5.

Job fulfilled by the team members include; sales, stock takes, generating promotional ideas, running promotions, merchandising and replenishment amongst other duties tied in with running a counter at the airport. Ad hoc and part time duties are also provided to the other Godiva counters across Heathrow.

Here at Blackjack we are their eyes and ears in the UK and provide full support to the team as well as continuous feedback and reports to Godiva.
